Community News – If you have an upcoming event that you feel is worthy of mentioning in the newsletter, we will try to get as much information into the newsletter whenever possible, to keep the community informed. If you are having something for the public to attend or something worthy of community attention, please share that information here. Although we can't promise we will be able to print it or print it all (depending mostly on space), we will try to fit it in. There is no charge for this submission.
